COLOUR NOTES

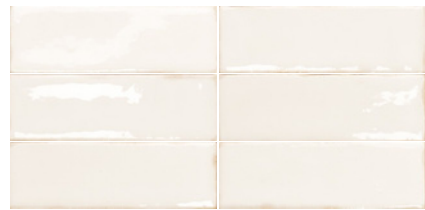

*Inspired by vibrant notes, this collection merges the artistic expression of colour splashes with the melodic harmony of musical notes.
Transform your space into a chromatic masterpiece, where colour notes glide across the surface like chords on a musical score. Mix and match according to your inspiration, creating a unique composition that resonates with style.
Welcome to the symphony of ceramics.*

*Inspirada en las vibrantes notas, esta colección fusiona la expresión artística de manchas de color con la armonía melódica de notas musicales.
Convierte tu espacio en una obra maestra cromática, donde las notas de color se deslizan sobre la superficie como acordes en una partitura. Combina según tu inspiración, crea una composición única que resuena con estilo.
Bienvenidos a la sinfonía de la cerámica.*

BEFORE INSTALLING THE PRODUCT

The surface where the product is being installed must be clean and level.
 It is recommended that the layout of the product is prepared before the final installation.
 Make sure you choose an adhesive apt for the area where the product is being installed.
 For installation on porous surfaces we recommend: Kerakoll Special® Eco, and for Non-porous surfaces: Kerakoll serie H40® Eco.
 The choice of quality grouting mortar is crucial.
 We recommend Kerakoll Fugabella® Color.
 (www.kerakoll.com)

TO ENHANCE YOUR PRODUCT

In order to obtain the maximum effect, use 1,5 mm - 0.059 in spacers between the tiles to maintain an even installation over the whole surface. The colour of the grout should be as close as possible to the colour of your product. Once the area has been grouted, and before the grout dries, remove any excess material with a damp sponge.

MAINTENANCE

Maintenance free. Easy and practical to care for, due to the high standard of technical characteristics in each ceramic product. Avoid abrasive or acidic cleaning products. It is recommended to clean with clear water.
