The Skyline Honed Marble Collection presents an array of light shades from milky whites to cool silvers to sandy beiges. With the option of streamlined tiles or honed mosaics, this collection has the ability to transform any space from bland to electric!

This collection offers a variety of field tiles and intriguing mosaics. The mosaic design options include: Herringbone, Monte, Ponte, Basket, Hexagon, Lattice, Autumn Leaf, Bamboo, and Chevron. It also has a selection of moldings and wall decos for a precise, uniform aesthetic. The light color variation in this marble will add a layer of complexity to a minimalist interior design scheme.

The Skyline Honed Marble Collection is suitable for vertical and horizontal applications in commercial and residential properties.
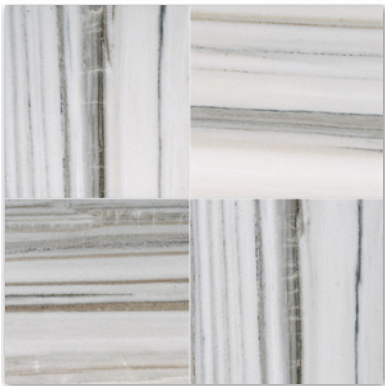

Usage

• Residential Interior Floors / Walls
• Commercial Interior Floors / Walls
• Shower Floors / Walls
• Backsplash

V3 - Moderate Variation: While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the number of colors on each piece may vary significantly. For example ''that little bit of color'' on piece of tile may be the primary color on the next piece.
